SECOND CAUSE OF ACTION

(Quiet Title)

22. Plaintiff repeats and realleges each and every allegation contained in Paragraphs 1 through 21 and incorporates the same as though fully set forth herein.

23. Plaintiff seeks an order from this Court, pursuant to NRS 40.010, declaring that the deed of trust securing the \$209,230.00 loan continues to encumber the Subject Property as security for the note detailed herein notwithstanding the purported homeowners association sale and that Plaintiff's security interest was not abrogated by the purported homeowners association sale.

24. The claims between Plaintiff and Defendant pertain to real property and are clearly adverse, needing a determination from this Court.

25. Plaintiff has found it necessary to employ the undersigned attorney to bring suit. Therefore, pursuant to federal statutes, prevailing case law, and the terms of the note and deed of trust, Plaintiff is entitled to any and all expenses incurred including, without limitation, all attorney's fees and costs of suit.

WHEREFORE, Plaintiff prays for relief as follows:

1. For a Declaratory Judgment that the security interest recorded with the Washoe County Recorder on July 6, 2007 as Doc. #3552189 remains intact and was not extinguished by the purported homeowners association sale on August 15, 2013;
2. For an order quieting title in the name of Defendant subject to the security interest of Plaintiff;
3. For reasonable attorney's fees;
